

Hello, students!! How are you?

Now, it's time to show your ability.

How much confidence do you have?

Every day, I mean not only weekdays but also holidays, every day I heard there were many students studying at their classrooms.

I know how hard you have tried your best.

As you know, you have the advantage of location, because our school is just next to both Ehime University and Matsuyama University.

Well, I hope all of you will try your best.

You are the best student I have ever met.

Trust yourself! Trust your days of effort!

Take it easy! Good luck!
